On Rivaroxaban (Xarelto), we need your help!

AntiCoagulation Europe (UK) has been invited to participate in the ongoing development of an exciting **app** designed to help patients manage their medications, activities and health history in one single application, easy to use and available for smart phones including androids and for ipads and tablets too. For the patient or their family/carer, this can bring peace of mind for fully complying with the doctor's recommendations and a treatment plan that can live up to its potential.

ACE will be hosting workshops in Central London on Tuesday 20th September, Weds 21st September and Thursday 22nd September 2016

- Attendees will be invited to arrive at 10.30 for refreshments with activities commencing from 11am onwards
- Lunch will be provided with dietary needs catered for, if required.
- The workshop will conclude at 3pm
- Attendees travel expenses will be paid for and each individual will receive £75.00 as a thank you for their time.

Criteria for attendees are as follows:

- ✓ Over 18 years old
- ✓ Currently taking Rivaroxaban
- ✓ Uses a smart phone, (iphone or android)or ipad or tablet
- ✓ Interest in health apps.

If you would like to register your interest or for further information , please contact Diane Eaton, Project Manager at AntiCoagulation Europe(UK) by email dieaton.ace@virginmedia.com or by telephone on 07958 427701 between 9am – 5pm.
